

**The University of Rochester's  
UNDERGRADUATE  
CHEMISTRY COUNCIL**

*PRESENTS THE*

**CHEMISTRY IN  
ACTION SHOW!**

**THURSDAY, DECEMBER 12, 2019  
10:30-11:30 A.M.  
Hubbell Auditorium  
141 Hutchison Hall**

The chemistry undergraduates at the UNIVERSITY OF ROCHESTER will put on a FREE Chemistry in Action Show. This show will feature demonstrations such as: CHEMILUMINESCENCE, METHANOL CANNON, CRYOGENICS, STRONG ACIDS, and THE OSCILLATOR. We invite the Rochester area schools to bring students to this show. This is an awesome chance to see some really cool chemistry in action!! If you would like to bring a group of students, please contact: Evelyn Caffery (phone 585-275-8286; e-mail: [evelyn.sucycaffery@rochester.edu](mailto:evelyn.sucycaffery@rochester.edu); or fax 585-276-0205). *Please respond soon – seating limited.*
