#### Notes

1. This tune also called "God Save the Queen" is sung both east and west of the Atlantic Ocean.
2. Based on a simple three note bugle call this simple, catchy, and memorable tune was so popular many could hum or whistle "Over There." "It's a Grand Old Flag" echoes the same intervals. These intervals in reverse sound the "Taps." On the eve of the 2nd World War, Franklin D. Roosevelt and Congress awarded Cohan a special Medal of Honor for his contribution of songs in W.W.I.

3. Bogey. One above par, golf term. Written prior to the war this song became a marching song for the British troops. It is said an ex-military man nicknamed Colonel Bogey would whistle a minor third instead of warning for a swing with "Fore." The interval is a feature of the tune.
4. Tipperary. Small Irish city in the province of Munster, in the southwestern part of the Republic of Ireland.
