For your comfort & safety, look for the exit nearest your seat. There are two exits at the front & rear of the auditorium, which, conveniently, have the word “Exit” in BIG lighted letters. You can’t miss them. E-X-I-T. Or, phonetically, eee, ecks, eye, tee.

Eating & smoking are all prohibited in Strong Auditorium. Smoking’s bad, m’kay. And you can’t smoke outside either, unless you do so in the designated bus-stop-which-is-not-a-bus-stop. The people therein will be very cold, which is ironic, considering they all have small fires in their hands.

Please turn off all phones, drills, blenders & things that make noise, lest they disturb the force.
