For your comfort & safety, look for the exit nearest your seat. There are two exits at the front & rear of the auditorium, which, are over there, and back there somewhere.

Eating & smoking are all prohibited in Strong Auditorium. No smoking!! And you can’t smoke outside either, unless you do so in the designated lung-cancer-kiosk. Smoking is bad for you! Just bad. And expensive.

Please turn off all of your tweeters, textifyers & face-chat devices too.
