A one-day informal Symposium for undergraduate students presenting papers or posters on Physics, Optics, or Astronomy

Saturday, March 28, 2020

Department of Physics & Astronomy, University of Rochester, NY

Undergraduate students are invited to submit papers on any subject in pure or applied optics, physics, or astronomy or closely related fields. Reports may be of completed work or work in progress:

* research projects
* library study projects
* equipment design and construction
* independent laboratory work
* senior theses
* summer projects

Abstracts
Please upload your abstracts (200 words or less) at http://www.pas.rochester.edu/news-events/rsps/2020/ by February 28, 2020. At the time of arrival at the Symposium the following fees are due: $35 per person, which includes lunch.

Symposium registration is available on-line at http://www.pas.rochester.edu/news-events/rsps/2020/
A booklet of abstracts will be distributed at the symposium and all abstracts are published on-line.

Symposium
The Symposium will be organized into several sessions with faculty session chairs. There will be 15 minutes allocated for the presentation of each paper, which includes approximately 5 minutes for discussion. A poster session will be included in the program. Computer projection facilities are provided; however, supply your own laptop for Power Point. For further information, contact Linda Cassidy, RSPS office, Physics and Astronomy Department, University of Rochester, (585) 275-6679 or lcassidy@pas.rochester.edu.
