

FDI Internal Faculty Fellowship - Chair Recommendation

As context for your remarks, please review the information on academic leaves in the Faculty Handbook (www.rochester.edu/provost/FacultyHandbook/Faculty_Handbook_07082008.pdf pp 39-43) and the AS&E leave guidelines (AS&E intranet: <https://secure1.rochester.edu/college/deans/intranet/html/auth.php>.)

Name of Applicant _____ Department _____

What is your recommendation for an FDI Faculty Fellowship? ____Support ____Support as modified below ____Deny

Discuss the basis for your recommendation, including: 1) a candid assessment of the benefit to the individual and potential success of the fellowship, including at the person's particular career stage; 2) the broader benefit of the fellowship to the department and to the university, including in areas such as the development of new curriculum, research or scholarly interactions; 3) the requested timing of this fellowship in the context of the benefit to the individual and staffing considerations; 4) any special considerations affecting this fellowship request, including recommended modification. Append additional information as necessary.

List courses currently taught or that would have been taught by the applicant during the Fellowship period, including centrality for major, minor or clusters. As needed, indicate replacement plans (e.g., current faculty, adjunct, visitor) and potential costs for coverage

Other comments:

Please note: At the conclusion of the leave and before the beginning of the subsequent semester, the leave recipient should submit a brief written report on his/her work to you, with a copy to the Deans' Office
