

BIO 112L Perspectives in Biology I (CRN 14102 Instructor: Dr. David Goldfarb)

A first-year course designed for confident students with strong biology backgrounds. This typically means a score of 4 or 5 on the AP Biology test, or an IB score of at least 6.

Workshops will be held on a weekly basis and are two hours in length. Labs are held on a bi-weekly basis and are three hours in length. These are required so make sure to keep room for these in your schedule.
