

# **Chemistry-Biology Interface T32 Retreat**

Featured Speaker

**John Schneekloth**

Investigator

Chemical Biology Laboratory

National Cancer Institute

National Institutes of Health

**Day 1:**

**“Targeting Structurally and Functionally Diverse  
Nucleic Acids with Druglike Small Molecules”**

**Thursday July 25, 3:30 p.m., 140 Hutchison Hall**

---

**Day 2:**

**Posters \* Talks \* Networking \* Career Panel**

**Career Panelists: John DiMaio (Hodgson Russ LLP),  
Lea Michel (RIT), John Schneekloth (NIH),  
Eric Stoutenburg (Novomer)**

**Friday July 26, 9:30 a.m. – 3:00 p.m.**

Staybridge Suites Banquet Room

---

*Sponsored by NIH T32-GM118283*
