

Getting to Goergen Hall at the University of Rochester:

Google maps does a good job with just "Map Hutchison Hall Rochester NY". The Parking Kiosk is right next to Hutchison Hall, so go there, then navigate to Goergen after parking near Hutchison.

Or... take 390 to **Scottsville Rd North**. Turn right off of Scottsville onto **Elmwood** at the fork when you see the park on your right. Just after you cross the river, take the first left, which will bring you into the U of R on **Wilson Blvd**. Continue straight at the stop sign to the **Parking Kiosk**, just 100 yards into campus from Elmwood. Tell the parking attendant that you are here for the "Chemistry Lecture" and they'll give you a free parking pass. After you get your pass, or if there is no parking attendant, just do a U-turn, turn left at the stop sign and park in Trustee or Bridge Lot (see maps below).

Getting to Goergen Hall from the Parking Lots:

All the closest parking lots are to the south and east of Goergen Hall. **Trustee, Bridge Lot** and **Intercampus Drive South** are recommended (see below), or you can park in a metered space on Wilson Blvd. You are allowed to park in any space not designated "reserved" after 4 pm.
