

Inspiration Project

CALL FOR VOLUNTEERS

The Inspiration Project is seeking volunteers for its 15th year, which will be conducting on Wednesday nights from Sept.-Nov. 2025.

In conjunction with CP Rochester, students are paired with special-needs adults from the community to conduct interviews & collaborate on literary works. The result is a bold expression of fiction, non-fiction or poetry.

It has been a memorable program that allows students to gain experience in writing, editing, and communication.
