Welcome to Meliora Weekend!

The College Music Department is pleased to welcome parents, family members, alumnae, alumni, and friends of the University to our Meliora Weekend concerts. All of our concerts this weekend and throughout this academic year are dedicated to the memory of **Dean Paul Burgett** (1946–2018), who served the University in an astonishing range of capacities, including Vice President and Senior Advisor to the President, over many decades. We are especially proud that he was a Professor in the College Music Department, where he taught beloved courses in Jazz History, The Music of Black Americans, and Music Appreciation, and provided wise counsel and unwavering support to our musicians for many years. We salute a remarkable teacher, mentor, colleague, and friend with these concerts.
