**Part II: Personal statement**

Attach a personal statement explaining how this internship will advance your personal educational goals. Think about where you would like to be in five years professionally and about how this experience will help you get there. The statement should be one page, single spaced in Arial 11-point font with one-inch margins.

**Part III: Resume**

Attach a resume that emphasizes any kind of previous experience you may have in community work. Be sure to note what special skills, knowledge, and experiences you can bring to an internship. The resume should one page, single spaced in Arial 11-point font with one-inch margins.
