

HBS Major Declaration Planning Checklist

The purpose of this checklist is for students to plan their HBS major.				
Students changing this plan must inform the Faculty Advisor, who will have to request a "Departmental Major/Minor Revision Form."				
Double majors must provide a complete course plan for both majors (including semesters and schedules) in order to have their HBS major approved.				
Students must take the prerequisite, 101 Introduction to Psychology				
Students must take two "W" courses from this list.				
Courses marked "W" have a separate "W" section. Otherwise, courses marked W have a single section.
